

OFFICIAL APPOINTMENT LETTER

Founding Advisory Board Member

Dear Mr Bakalo,

This letter formally confirms that Ivan Bakalo was invited and appointed to serve as a Founding Advisory Board Member of the Journal of Dependence Modelling in Finance, Insurance and Demography (JDMFID) during the journal's founding stage, effective 23 July 2026.

The appointment reflects Mr Bakalo's professional and research expertise in financial stability, systemic risk, banking regulation and supervision, stress testing, macroprudential policy, banking governance, audit and compliance.

In this advisory capacity, Mr Bakalo may contribute subject-matter expertise to the journal's academic and editorial development and, where relevant, provide professional assessment or advice concerning research within his areas of specialization. The role is advisory and non-executive; responsibility for manuscript decisions and journal governance remains with the appropriate editorial authorities.

The appointment is voluntary and is intended to support the development of rigorous, independent and internationally oriented scholarly standards at JDMFID. The Editorial Office is grateful for Mr Bakalo's willingness to contribute during the journal's founding stage.

Name	Ivan Bakalo
Professional status	Independent Researcher, United States
ORCID	0009-0007-5773-1436
Role	Founding Advisory Board Member
Effective date	23 July 2026
